Pastor Scott's Message...

The Pastor's Perspective ...

I would like to begin by saying, "THANK YOU!!" Last Sunday we celebrated my installation service and what a celebration it was! There are so many people that contributed their time, talents and energy to the day that I cannot possibly name them all individually. I am humbled and grateful beyond words ... but let me try.

Thank you to our amazing staff: Kris, Jacqui, Sue and Guy! I appreciate all of the extra time and attention that you gave to create such a moving and meaningful day. Thank you to the members of the choirs, the Search Committee, and the kitchen crew! Everything was amazing!! I cannot adequately express how grateful I am. Thank you to the leaders of the York Association, and the clergy and members of the member churches for driving up here on the Sunday after Easter to be a part of the celebration. And THANK YOU to all of you that attended in person or online. Thank you for the encouragement and the support that you have offered over the course of the last two and a half years. Thank you for your faithfulness and dedication as we have all navigated the difficulty of the pandemic together! I am truly blessed!

Now that I am officially installed as the Senior Minister ... what do we do now? Where do we go from here?

Last week, a member of another church asked me if we struggled during the pandemic. I answered truthfully when I said, "No, we did really well!" Part of me felt a little guilty saying that. After all, throughout his ministry, Jesus extolled the virtue of humility. But the truth is that you faithfully sustained and maintained our ministries through one of the most difficult times in history.

Of course, like many other churches and organizations, we had to change what we did and how we did it. We had to innovate and create new ways of ministry and service. It also meant that we had to NOT do many of our favorite things for fear of transmission of the virus. As we begin to glimpse at the light near the end of the tunnel, we can roll the stone away and emerge into a new future.

When I met with our Diaconate last month, we spoke about how we will reconnect and recreate relationships. We discussed how we can provide meaningful pastoral care ministries within our church family, as well as how we can engage with the wider community. As we continue our ministry together, I hope that we can all imagine ways in which we can manifest the central message of Jesus Christ: "Let us love God with all of our strength, soul, heart and mind, and let us love our neighbors as ourselves." That is always our call and forever our challenge. Let us love God. Let us love our neighbors. And let us do it together.

Dream with me! Let us create our vision for First Parish Church. How will we love?

Peace be with you,

Scott

Moderator Update

From the Moderator...

Looks like Spring has sprung but we Mainers know not to get our hopes up too quickly. Nevertheless, we are fortunate to be witness to the rebirth that happens all around us at this time of year which makes living in a state with four seasons such a treasure.

As I have mentioned previously, the Church Council is performing an organizational review. This critical work will continue throughout the year. I distributed a message to all team chairs in early April to elicit input regarding the newly crafted Mission/Purpose statement and each teams' "wish list" of what the future holds for their respective team in the year to come. The Church Council will be compiling this information and sorting through it as soon as information is received. If you are a team chair, please ensure that you discuss this important issue with your team and submit your information soon. If you missed it, please reference the e-mail from Sue Burgess on April 8 with my request.

We are having issues with electronic pledging otherwise known as e-giving. We will be reaching out to all e-givers with some recommended actions soon.

Additionally, I am thrilled to announce that Marianne Cook has willingly stepped forward to fill the Clerk position. Marianne and I served on the building design committee after the fire. She is a longtime member of the church and a former moderator. Much thanks to Marianne for filling this critical role.

Blessings and peace, Dale Siulinski

Dear family and friends of First Parish,

Happy May! It's so good to see so many of you back in church after the long winter, even if we're still wearing masks. We are looking forward to a busy spring, full of happy reunions and faith-enhancing activities.

We want to introduce to you the last of our five new deacons, Lorie Faubert. Lorie grew up in Amherst, MA, and summered here in Camp Ellis for many years. She graduated from Wright State University in Dayton, Ohio, with an engineering degree and worked at Wright Patterson AFB before moving to Lockheed Martin Missiles and Space in California where she worked for 13 years. She and her late husband, Ted, adopted two children from Romania, now adults....her son Daniel lives in Florida and daughter Claudia lives in northern Maine. While the children were young, the Fauberts lived in England for 10 years and Lorie feels grateful to have experienced living in various parts of the world, most recently in northern Virginia.

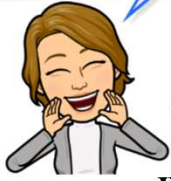

Now living in Saco, she is "figuring out what is next after my retirement" and filling her time with classes, gardening and volunteer opportunities. She is especially happy to have found First Parish as her new church home. She feels honored to have been invited to join the diaconate and blessed to be part of such a caring and active church. In her own words, "It feels very good to be home." We feel very honored and blessed to have Lorie at FPC and to have her as part of our team of deacons.

See you in church!

Love and blessings,
Nadine Russell and Dan Carter,
Co-chairpersons

MAY

It is May at First Parish and another month of Church school classes, fun programs, service opportunities and fellowship.

In Church school, our Wonder Word for May is

Proclaim. Our Children's Messages and classes focus on Paul or should we say Saul. Paul's story is amazing as he becomes a faithful follower of Jesus'. Paul takes us on many journey's and wrote so many of our books in the New Testament. He is one of my favorite Biblical characters

May 22 is our Children's Sunday. We celebrate our families and all the adults that give so generously of their time and love to support our Children's Ministries at First Parish. Please join us for this joyous occasion.

May 29 is our last Church school class for this program year. Children's Messages will continue throughout the summer, however, age level classes will not resume until September.

See you at Church,

Kris

Music Ministry

From Our Music Director

jacqui@firstparishsaco.org

Thank you!

To all the instrumentalists and soloists, we have had this year including Linda McVety, Ellie Osborn, Sharon Trace, Stephen Shiman, Evan Cuddy, Molly Harmon and anyone that has done solos that are in the choir.

Peggy Blood: Peggy was our Music Librarian for all of 2021. She organized and filed all of our music, put it out when needed and kept track of it all. She has been extremely helpful in organizing our music and updating the library. She also contributes beautiful solo singing whenever asked.

Lynn Beals: Lynn organizes a list of our choir contact information, organizes our robes and has made many of (if not all) the singers masks choristers are currently wearing.

Susan Marston: *Junior Choir Director extraordinaire!* Susan has continued to direct our fabulous Junior Choir and this year we were able to rehearse downstairs in the choir room.

Audrey Cabral: *Bell Choir Director* Audrey has brought the bell choir back together for rehearsals this year to ring during Advent and on Music Sunday! It has been such a blessing having this group ring again after not having them during the Pandemic.

Delaney Clifford: Delaney has helped Jacqui direct the Youth Choir this year by teaching them our monthly contemporary worship hymn and accompanying as needed. She also sings with them as needed.

If it's May, it's Music Sunday!!

It has been such a wonderful year having the choirs singing again, the instrumentalists playing again, and the sanctuary filled with people again! There are so many people to thank including you, the congregation! Thank you for all of your support!

-Jacqui

Sarah Heath: Sarah has taken on the role as Music Librarian. They play any percussion we may need (drum set, timpani, gjembe, etc.) and takes on the role as cantor when the choir isn't singing. Sarah also helps with the Youth Choir by singing any part they may need.

John Brockington: Beach and Main Producer John runs the Beach and Main Coffee house which has been a fantastic outreach into the community and also gives the youth a way to perform more!

Freddie Connelly: Freddie has worked with me on countless occasions making sure all the levels are correct for streaming and in house sound. So thankful for his expertise.

Jamie Beals: Jamie was our Music and Arts Team Leader until January 1st, 2022 and also has played Sax, recorder and has done solos throughout the year as needed.

Cary Olson

Cary has taken on the role as Music and Arts Team Leader. She was actively involved with the music program by leading the Youth Choir the year after the church burned. We are excited to have her!

Music and Arts:

Jamie Beals, Lynn Beals, Jennifer Poore, Susan Marston, Al Sicard, Ralph Neumyer, Tucker Austin, Jamie Johnson, Hope Poore, Carrie Suchar, Judy Foote, Richard Foote, Catherine Foote, and Delaney Clifford.

Rev. Scott Cousineau: Scott has supported all that we have done throughout the year. It is clear Music is very important to him and I'm truly thankful for his leadership and support.

Jacqui and I have had an almost normal year with Junior Choir post pandemic. We have rehearsed every Thursday afternoon (4:00-4:30) since late September with only the month of January off, because of Covid concerns. We have 7 dedicated singers that come every week for rehearsal with boundless energy and joy. I call them **The Magnificent Seven** (Chloe, Cassie, Emily, Gunnar, Peter, Aiden and Nora). They work hard and love to sing. We have sung each month for Thanksgiving, Christmas caroling in the community, The Christmas Pageant, The Family Christmas Eve Service, Pilgrim Lodge Sunday, and Easter. We will be singing on Music Sunday and Children's Sunday. It's been a full year of learning new songs and singing for the congregation.

Some things are still in place for Covid like the masks. The children still wear their singers masks that Lynn Beals made for them. They wear them at all rehearsals and sometimes in church when we sing. The children have learned how to use a hand held microphone and it makes the words so much clearer when they sing in the sanctuary.

The Junior Choir loves to be part of the Senior and Youth Choir, as we were for the Easter Service singing Hallelujah. It makes them feel part of a wider community of singers.

We never could have a Junior Choir without the parents, grandparents and friends that bring the Magnificent Seven to rehearsal each week. Some stay and sing with us. Others take some time to just relax alone for a few minutes in the church library. Jacqui and I are so grateful to everyone that helps to bring the singers to us. We also feel so fortunate to have Pastor Scott join us when he doesn't have other meetings. He adds so much to our rehearsal and it's important for the children to know they can sing and laugh with him.

It has been so wonderful to be back in person this year for rehearsals and singing in church. Jacqui and I would love to have more K-5 singers joins us next year.

Have a safe and happy summer,
Susan Marston, Junior Choir Director

This new article in "The Messenger" will focus on our different teams and groups here at First Parish. We hope this will bring more understanding to you and provide information as to what each team does, when they meet and the current members of the team. Perhaps it may pique your interest enough to join a team and help First Parish keep the light shining for all to see.

# WOMEN'S FELLOWSHIP UPDATE

## PLEASE SAVE THE DATES

On May 6th, 7th, and 8th, First Parish Church and Women's Fellowship will host Jen Wright, Founder and Executive Director of H.E.A.L. Jen visited Zimbabwe with her UCC choir members when she was in high school, and her experience changed her life. Seeing children as young as 5, living on the streets because their parents had died of AIDS, Jen knew she had to help. We hope you will come hear Jen speak about her Faith Journey and her work in Kenya. Her story is compelling, and she endeared herself to the First Parish women who heard Jen speak at our Women's Spiritual Retreat in January 2019.

If you have questions, or would like to help plan this special weekend, please contact Joan Sonneborn at 494-7154.

## ATTENTION KNITTERS AND CROCHETERS!

**HAT NOT HATE** is an anti-bullying campaign. They ask knitters, crocheters and loomers to make handmade blue hats and donate them to their cause. If you can make a blue hat or two, please bring them to our church by **JULY 15** or the hats may be delivered to Knit Wit, 34 Danforth St, Portland, ME by August 1. Visit [hatnothate.org](http://hatnothate.org) for more information.

**What is #HATNOTHATE?** #HATNOTHATE was launched in 2018 as an anti-bullying campaign founded by Shira Blumenthal. We encourage people to make, wear, and post handmade blue hats, adding #HATNOTHATE when sharing on social platforms. Hats are distributed to schools nationwide, educating students about the message of kindness.

**Why do the hats need to be blue?** The color blue represents awareness, peace, and solidarity. Blue is the color to wear in support of anti-bullying.

**What are the requirements for the blue hats I want to donate?** As we are looking to fit a wide range of sizes (for ages 5 to 18), most hat sizes are appropriate, i.e. ranging from 16 inches to 20 inches in circumference. Close-fitting beanie style as well as slouchy style hats are welcome. Hats should be handmade using any blue yarn and should be at least 75% blue.

**Who receives the blue hats that are donated?** We will give the donated blue hats to select schools from around the country, all of which are participating in National Bullying Prevention Month throughout the month of October.

**Can I add a pompom?** Yes

**WOMEN'S FELLOWSHIP IS GIVING AWAY YARN!** Come Tuesday mornings (9:30 am to 11 am) to pick up your free yarn, or contact Glen Ellen Roth at [droth@mailne.rr.com](mailto:droth@mailne.rr.com) or (207) 229-3196. We have plenty of blue yarn in many different hues. We have TOO MUCH YARN! Please help us clean out our closet.

**Jen Wright will be our Guest Preacher on May 8, 2022**

**JOIN US ON MAY 8, 2022**

When Jennifer was a 20 year old college student, she received an unlikely call from God. Join us during Sunday morning worship to hear her story of developing an orphanage and school in Kenya, and how she learned to lean into her faith even when the way forward seemed so daunting.
