Access to Lower Level during week days...

As the new school year is upon us, just a reminder to all... Spurwink School rents most of the lower level of First Parish Church for their therapeutic school. In order to provide the environment needed for the children of the school we are asking that nobody enter the lower level until after 2:30 pm during the weeks/days that Spurwink is conducting classes. The **only** exception is if a vendor or repair company requires access to a specific area of the lower level.
Thank you for understanding.

Pastor Scott's Message...

The Pastor's Perspective ...

I met Reverend Richard Dutton when he served as one of the interim ministers for First Baptist Church in Beverly, Massachusetts. Several years later, Dick called and asked me if I would consider accepting a call to serve as the Associate Pastor at First Baptist Church, New London, New Hampshire. My response was, "I do not even need to see the job description. I am in!" When the process moved to the point of my official interview with the search committee, I met Dick in a restaurant parking lot and followed him to the church. During the drive, I stared at the "Diversity" sticker that decorated the rear window of Dick's Volkswagen Jetta.

My friend and colleague passed away last month. His life and ministry were celebrated just a few days ago. I am thankful for the technology that enables us to participate in a virtual congregation. I mourn my friend's passing, and I am grateful to have served with someone who held love and inclusivity as the primary foci of his ministry.

We will begin our new program year this month. Our overarching theme for the year is going to be "A Place for Everyone." Every Sunday I begin our worship services by saying that all are welcome here. This year we will explore what that means in our daily lives as individuals and as a church family.

In my conversations with the staff, we acknowledge that we already do a good job at making people feel welcome here. But that does not mean that we should not continue to enhance those things that we already do well. We should not pat ourselves on the back, or rest upon our laurels. Even more, we will continue to seek ways to let our neighbors know that they are welcome here.

For example, one Sunday in June we celebrate PRIDE and our inclusion of our LGBTQIA+ neighbors. But why just one Sunday? And what about other neighbors that also experience exclusion in the wider world? How do we communicate and extend our welcome to them as well?

Our focus hymn for the year is going to be "Draw the Circle Wide," by Gordon Light and Mark Miller. The song lyrics say, "Draw the circle wide. No one stands alone, we'll stand side by side." Then the chorus tells us, "Draw the circle, draw it wider still. Let this be our song, no one stands alone." The lyrics do NOT say, "Draw the circle wide ... that's good right there. There's no more room, no room to spare."

As a church family, we will consider the ways that we draw the circle wide, and then how we can draw it wider still. We are a Christ-centered faith community with love and hope to share. How do we make certain that we are sharing with everyone? That is our call. That is our challenge. That is the heart of who we are. Draw it wider still. There is a place for everyone at First Parish Church, Saco.

Grace and Peace,

Scott

Vice Moderator Update...

Summer has just about passed us by. I hope we have a dry fall to enjoy the remaining warm days at the beach, riding bikes and just plain enjoying our families.

We have several items happening in the church which we should all be aware of:

1. We continue to search for a Moderator.
2. We continue to advertise for a new Sexton. Winter is coming and we need to be ready for heating of the building and keeping the sidewalks clear.
3. We need a person(s) to recruit (nominating) for our teams; without those people, we have holes in our leadership structure.
4. We need folks who would like to help with our Stewardship Program. We have a few people signed up but could use more folks to provide ideas on why they love FPC. Stewardship will start momentarily with its completion in October. Earlier Stewardship Campaign moves the budget and stewardship out of the holiday season. This year will be a financial education year so that church members and friends understand our current financial constraints. If you would like to be on the Stewardship Team this fall, please let Sue Burgess or the Finance Team know (Glenys Salas, Dale Siulinski, Patrice Tripp, Amy Chute, and Bob Condon).
5. There is serious discussion about having a Capital Campaign to raise funds for church exterior maintenance and adding solar panels to the church. The savings the panels will produce are significant, and reduces our risk of rate change by CMP. Over the life of the panels, we would save 300K - 400K in electricity with a 90K investment. The town of Saco has approved the project.
6. The Facility Team is working to get a quote for the exterior structural work and maintenance to extend our building into the next generation. We would present various plans to the congregation to accept exterior renovation and/or solar panels for a vote before moving ahead.
7. We will be looking at our long term Legacy Funds. Due to the current Market with low returns on investment, our funds are dwindling and need a review our current investment plan.
8. Bill Donoghue and Bob Mohlin will make a presentation to the Council in September to look at the church security recommendations from Home Land Security. The building has some excellent security features but there may be some risks that we may want to address. The federal government will pay for any security updates we make to the church.
9. Bylaws are presently in review to accurately reflect how we operate the church.
10. The Facilities Team is working to understand the repair necessary to restore the basement after the water and moisture issues. This currently includes insurance company, and remediation contractors.

September always seems to creep up on us. Maybe it is because we do not want to let go of the summer or maybe it is because there is so much to do to prepare

for our program year. This is one of my favorite Sundays...all our families returning, programs starting up, church school classrooms with teachers and children enjoying all our wonderful Bible stories. Yes, this is a special Sunday. **Homecoming Sunday is September 17th.** As we begin our worship together, that morning, we will be having a **Blessing of the Backpacks.** All children, youth and church school teachers are invited to bring their Backpack/bag forward and place on the altar. We ask that everyone sits up front while the blessing takes place and our morning's Children's Message. We will also have our **Teacher Commissioning** at that time. Please remember to retrieve your bag after worship. We will begin age level Church school classes that day. **In the meantime, we would like all our parents to fill out Church school registration forms for their child(ren). We ask that you fill out a form for each child, birth (nursery) through Twelfth grade.**

This is helpful for many reasons.

1. Helps us in the purchasing of curriculum
2. Helps us determine class size vs. room vs. adults needed
3. Helps to organize age level events, Bible Sunday, VBS, Youth Fellowship.

4. Helps us report attendance to our Church conference.
5. Helps us to know if there are parents wanting their children Baptized

You can find this form on the Church website under Christian Education, click on Christian Education and then Christian Education Registration. Thank you.

I look forward to seeing you at Church.
Stay safe,

Kris

Kaeley Brann will be our featured artist for the fall. Kaeley is a 2019 graduate of Massabesic High School and a 2023 UMO graduate with a Fine Arts degree. She was also very active at First Parish and was confirmed in 2016. Kaeley says about her art, "I have always gravitated towards portraiture and the human form in my work. I enjoy studying the different features of those who I'm depicting. It allows me to appreciate small and often overlooked details, like small wrinkles around a mouth or freckles across a nose. These small details are what come together and make us all uniquely beautiful and I draw a lot of my inspiration from them."

Kaeley's exhibit will be featured at the end of the month on the upper level. Please come and enjoy her creations. Thank you Kaeley for sharing your art with us.

*I'm excited to be working on music planning for our new church year. This year I will be conducting my Masters Recital at First Parish on **Saturday April 13th, 7PM**. This is a culmination of my studies at USM and the focal point will be the senior choir. The program will be sacred and will be a journey from the birth of Christ to his resurrection. Most of the music will be sung during services throughout the year however the actual recital will also have a string quartet and some of my professional colleagues will be joining the choir. Please save the date!*

Music and Arts Team and Concert Series Committees:

Interested in supporting the music and arts programs at the church but don't want to be in the ensembles? Music and Arts or the Concert Series Committee might be a good place for you. We are looking for someone to help find sponsors for the concert series, to help with fundraising, and to help with advertising.

- Music and Arts meets the first Sunday of each month after church
- Concert Series Committee meetings are TBD

This article in "The Messenger" will focus on our different teams and groups here at First Parish. We hope this will bring more understanding to you and provide information as to what each team does, when they meet and the current members of the team. Perhaps it may pique your interest enough to join a team and help First Parish keep the light shining for all to see.

The 4th and final Peace Workshop  
September 17th from  
1:30 pm – 4:00 pm

The schedule for the afternoon includes a discussion time, a time for individual hands-on art making, and a wrap-up sharing time.

During the discussion time we will look at two art prints; The Peacemakers by George Healy and Jesus and the Children.

We will also consider some questions: What does blessed mean? Is there a difference between a peacemaker and a peacekeeper? What qualities does a peacemaker have?

There will be a variety of art-making activities to choose from. Learning how to create a mono-print is one of the choices.

The workshop is an intergenerational activity for participants ages eight and up.

Registration is limited to 15. Children (ages to 12) must be accompanied by an adult. This is a free workshop funded by the Atkinson-Johnson Foundation and all materials are provided.

If you want to register, look for the sign-up sheet on a table in Fellowship Hall.

## Fellowship Workshop formerly known as Women's Fellowship

### The Gingerbread Fair December 2, 2023!!!

The date is set for the 2023 Gingerbread Fair: December 2nd from 9:00 -2:00

We are in the planning stages during the Tuesday morning workshop sessions. Several people gather between 9:00-11:00...men and women...our group is growing each week. Some of us knit, sew, do needlework, drink coffee, tea, and discuss local issues. We are looking to use the space in the church in a safe and creative manner. After some time off, we had a very successful event in 2022 with lots of new people involved! Do you have some new ideas? Let us know. Are you willing to do what you did last year? Let us know.

The proceeds from the fair allows Fellowship Workshop to sponsor Camperships to Pilgrim Lodge, support H.E.A.L., support the Diaper Bank, and get gift cards for groceries for our neighbors in need. Coffee, tea, and punch provided at each Coffee Hour and at funeral receptions along with flowers, plates, and napkins are also purchased.

Basically, everything comes back to help the needs of the community, so it really is an ALL CHURCH event!!!

Questions or ideas????? Contact us!!!

FAIR PLANNERS:

Glen Ellen Roth & Sue Neumyer

P.S. The Fellowship Workshop group will be cleaning out our large storage closet in the Workshop Area of Fellowship Hall in preparation for the Gingerbread Fair. Pastor's Bible Study

The global pandemic put many ministries on pause. One of those ministries was the formation of a Pastor's Bible Study group. While COVID is still very much with us, we are going to offer this important part of our church family life. Of course, often times the most difficult obstacle to overcome is deciding WHEN to meet. I have been going over my calendar looking for the day and time that has the least number of conflicts. After weeks of consideration, I have decided to ask you! If you would like to participate in this Bible Study, please let me know what day(s) and time(s) work best for you.
